

One Day

Online or Inhouse

Resilience is best built by focusing on the core skills that combine to enable a person to be resilient. This interactive course focuses on 4 core skills associated with maintaining calmness and stability.

Target Audience

While this course is primarily aimed at those in leadership, managerial and supervisory roles, it is also suitable for anyone aspiring to become a leader or to build resilience at work.

Course Aim

By the end of this intensive and fun workshop, delegates will be empowered with practical tools and strategies to navigate the challenges of their leadership role.

Course Objectives

Delegates will achieve this by:

- Exploring and understanding the daily leadership challenges faced in the workplace
- Implementing proven techniques to develop and maintain mental toughness
- Understanding the impact of emotional stability on effective leadership
- Grasping the importance of control when under pressure and implementing practical tips to maintain control
- Understanding the role of tenacity in resilience and knowing how it differs from mental toughness

“

I was delighted that we were able to successfully complete the programme in such a short timescale, thanks to Nigel's commitment and contribution, and would have absolutely no hesitation in recommending his services to others.

Perfect training over the past few days. I have enjoyed it and learnt a lot.

Very engaging trainer. Put out of my comfort zone but it was needed to build confidence.
